CORPORATE POLICY

QUALITY POLICY

Liftronic Pty Limited (Liftronic) is the largest fully owned and managed Australian lift and escalator company. Liftronic uses its experience and flexibility to supply, install, maintain, and refurbish vertical, horizontal and inclined transport systems.

Liftronic is committed to meeting or exceeding the needs and expectations of its customers and continually improve its products, services and the effectiveness of its Integrated Management System. To achieve our quality objectives, we have implemented an Integrated Management System, which complies with the quality management system requirements of ISO 9001:2008.

To implement this policy Liftronic shall:

- Ensure compliance with all applicable statutory obligations, standards and specifications
- Provide a framework for setting quality objectives and the resources needed to achieve them
- Monitor, evaluate and continually improve our Integrated Management System performance by means of assessments and audits
- Conduct periodic management review of the Integrated Management System to ensure its continuing suitability, adequacy and effectiveness
- Identify, monitor and treat risks associated with the quality of our services and products

And all Liftronic employees and its sub-contractors shall:

- Follow established procedures of the Integrated Management System
- Comply with or exceed relevant standards of statute
- Recommend changes for improvement of the system and communicate as appropriate
- Strive to deliver reliable and durable products and services in the most efficient approach possible
